WELCOME TO KNALLECUPEN 2016

IK Ymer Volleyboll have the honour to invite you to the 36th edition of Knallecupen, an international volleyball tournament in Borås! This tournament is the perfect opportunity your teams to get together and play against other teams at the same level. The tournament lasts for two days with the group stage on Saturday and the playoffs on Sunday. Our goal is to play in four gyms where two gyms will provide full sized courts.

Categories

Knallecupen will be played in the following categories:

- Men's Elite (highest Swedish division)
- Women's Elite (highest Swedish division)
- Men's Division I (2nd highest Swedish division)
- Women's Division I (2nd highest Swedish division)

Historically, teams from seven different nations participated in this traditional pre-season tournament. The popular and motivating game schedule, where winners from the Division I categories on Saturday are given the chance to challenge the elite teams in Sunday's playoff, is a great concept witch Knallecupen will be keeping.

Matches

Matches will be played best of three sets. Group stage on Saturday and a playoff on Sunday.

Referees and scorekeeping

The division I classes are to referee each other's games for the whole tournament. However, our organisation will provide 1st and 2nd referee for all elite category games. We will also, as from this year, have as a working goal to provide officials for the scorekeeping and secretariats of the elite tournaments in Boråshallen. SVBF's tournament rules applies for other questions.

Board and lodging

Once again we look forward to the supper of Knallecupen, where all participating teams are invited to participate on Saturday night. It's a pleasant event with Borås city as hosts, where you will be served food and enjoy fun awards from Saturday's group stage. New this year is a music quiz with live music!

Accommodations are easiest arranged through IK Ymer at a nearby school (Sven Eriksonsgymnasiet) or through one of our partners among the different hotels and hostels.

A separate form will be sent to you shortly after word has arrived to us about your interest in participating.
