2017

WELCOME TO KNALLECUPEN IN BORÅS, SWEDEN

IK Ymer Volleyball have the honour to invite you to the 37th edition of Knallecupen, an international volleyball tournament in Borås! This tournament is the perfect opportunity for your teams to get together and play against other teams with other nationalities. The tournament lasts for two days with the group stage on Saturday and the playoffs on Sunday. We can offer your team practice opportunities on Friday evening. Our hopes are to be able to fill four gyms where two of them will provide full sized courts.

Categories

Knallecupen will be played in the following categories:

- Men's Elite (highest Swedish division)
- Women's Elite (highest Swedish division)
- Men's Division I (2nd highest Swedish division)
- Women's Division I (2nd highest Swedish division)

Historically, teams from seven different nations participated in this traditional pre-season tournament. The popular and motivating game schedule, where winners from the Division I categories on Saturday are given the chance to challenge the elite teams in Sunday's playoff, is a great concept which Knallecupen will be keeping.

Matches

Matches will be played best of three sets. Group stage on Saturday and a playoff on Sunday.

Referees and scorekeeping

The division I teams are to referee each other's games for the whole tournament. However, our organisation will provide 1st and 2nd referee for all elite category games. We also have as a working goal to provide officials for the scorekeeping and secretariats of the elite tournaments in Boråshallen. SVBF's tournament rules applies for other questions.

Board and lodging

Once again we look forward to the supper of Knallecupen, where all participating teams are invited to participate on Saturday night. It's a pleasant event with Borås city as hosts, where you will be served food and enjoy fun awards from Saturday's group stage. There will also be a music quiz with live music!

Accommodations are easiest arranged through IK Ymer at a nearby school (Sven Eriksonsgymnasiet) or at one of our partners among the different hotels and hostels. This is something we can help you to arrange.

A separate form will be sent to you shortly after word has arrived to us about your interest in participating.
